BREAKING: CHANGES TO THE WEEKEND PROGRAM

Conditions of the track in crisis due to the significant thermal variation. In Cogne the Organizing Committee is forced to review the weekend program due to the impracticability of a section of the route due to lack of snow.

The long-awaited and necessary **snowfall** did not arrive and the **temperatures** of the last few days, well above all standards, have **compromised the conditions** of an important part of the **route**. So the Organizing Committee, in agreement with and thanks also to the collaboration of the Municipal Administration and Pila S.p.a., has decided that the official **route** of the Marcia will necessarily be **shortened**. The definitive length of the route will be defined close to the race weekend and clearly communicated through the official channels. It's made clear that the event, except in the case of a further worsening of the conditions, will be officially considered as the **41st edition of Marciagranparadiso**.

Registrations for the weekend's events are obviously more than open.

All the instructions for registering for **Marciagranparadiso 2024** can be found at this web address: <https://www.marciagranparadiso.it/pagina.php?id=2>, similarly for the **MiniMarcia** you can register here: <https://www.marciagranparadiso.it/pagina.php?id=10>.
