

Press release #006/2024 of February 02nd, 2024 – ENG

THE OFFICIAL COURSES OF THE MARCIA AND MINIMARCIA HAVE BEEN DEFINED

A single 30km route. The Marciagranparadiso and the MiniMarcia heats will take place, thanks to the enormous work of the last few days put in place by the Organizing Committee, together with the Municipal Administration, the volunteers and the groomers of Pila S.p.a.

We could have thrown in the towel, given the incredible heat of the last few days and the lack of snowfall during a crazy winter: but once again Cogne did it. Marciagranparadiso number 41 and MiniMarcia number 17 will be reality. If the routes of Saturday's races remain unchanged, it was clearly necessary to re-evaluate the routes on Sunday. So there will no longer be a long route (Marathon) and a short route (Light), but a single 30-kilometer route which will extend according to the video proposed below.

Changes are also in sight for the Sunday MiniMarcia races, so for the Allievi's and Ragazzi' categories. The young athletes will still start together with the adults to enjoy the thrill of feeling like "bison" for a day, however they will follow the routes illustrated in the following videos.
