# SENSATIONAL 18TH MINIMARCIA IN A SNOW-WHITE COGNE

*A magical spectacle: the meadows of Sant'Orso covered in snow as far as the eye can see. Countless girls and boys took part in the 2025 MiniMarcia, led by a special guest.*

The **Minimarcia granparadiso** is always a guarantee of a great audience, enthusiastic participants, and plenty of fun. And the **18th edition** was no exception. The Cross-Country Stadium of Cogne was packed with young cross-country skiers battling it out on the first of two days dedicated to them, despite weather conditions that were far from ideal.

This was the day for the **Baby Sprint, Baby,** and **Cuccioli** categories, who took on courses of 1 km, 1.5 km, and 2.5 km, respectively.

For the second year in a row, following the 2024 experience with Clément Parisse, **Maurice Manificat**—a former French national team cross-country skier with eight Olympic and World Championship medals to his name—chose to be present at every start, guiding young skiers along the various routes.

And this year, **the courses** were a true novelty for all participants, as they were designed along the World Cup track, used just seven days ago.
